

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.

Apprenticeship Achievement Rates - 2021/22, 2022/23 and 2023/24 - Provider Redactions

All redactions are numbers that are considered not to provide a fair measure of performance of the provider but in the interests of transparency, we have published them separately. In no way do they constitute a formal qualification achievement rate for those institutions and should not be used in such a way and/or for comparisons.
